## **Kentucky Pollutant Discharge Elimination System**

### **Public Notice No. 2006-22**

**Date of Notice: July 14, 2006**

**Comments Due By: August 14, 2006**

The Kentucky Department for Environmental Protection, Division of Water proposes to issue, modify or terminate Kentucky Pollutant Discharge Elimination System (KPDES) permits for the treated wastewater discharges listed below.

#### **KPDES PERMIT REISSUANCES**

1. **BROOKS OIL COMPANY, INCORPORATED**, 17<sup>th</sup> Street, Middlesboro, Kentucky. KPDES No. KY0098523. This permit action involves an existing source discharge of storm water runoff from a petroleum bulk terminal that enters an unnamed tributary to Yellow Creek at mile point 16.2 in Bell County.
2. **CENTERTOWN WASTEWATER TREATMENT PLANT** (City of Centertown), KY Highway 85, Centertown, Kentucky. KPDES No. KY0071854. This permit action involves a discharge of sanitary wastewater from a wastewater treatment and collection facility (SIC Code 2213) that enters the Rough River at mile point 21.2 in Ohio County. Permit Writer: Robert S. Clay, Jr.
3. **CENTURY ALUMINUM OF KENTUCKY**, 1627 State Route 270 North, Hawesville, Kentucky. KPDES No. KY0001821. This permit action involves an existing source discharge of non-contact cooling water, storm water runoff, sanitary wastewater and miscellaneous wastewaters from a primary aluminum producer that enters the Ohio River at mile point 254 in Hancock County. Permit Writer: Lori Veal.
4. **G & M OIL BULK PLANT** (G & M Oil Company, Incorporated) Old US Highway 25, Barbourville, Kentucky. KPDES No. KY0089958. This permit action involves an existing source discharge of storm water runoff from a petroleum bulk terminal that enters an unnamed tributary to the Cumberland River at mile point 636 in Knox County. Permit Writer: Mahmoud Sartipi.
5. **HEXION SPECIALTY CHEMICALS, INCORPORATED**, 6200 Campground Road, Louisville, Kentucky. KPDES No. KY0001112. This permit action involves an existing source discharge of process wastewater and storm water runoff from an organic chemicals manufacturer. Outfall 001 enters the Ohio River at mile point 336.2 and Outfall 003 enters an unnamed tributary to Mill Creek Cutoff of the Ohio River at mile point 0.9 in Jefferson County. Permit Writer: Lori Veal.
6. **TEMPLE – INLAND**, 1241 West Second Street, Maysville, Kentucky. KPDES No. KY0094463. This permit action involves an existing source discharge of process wastewater and storm water runoff from the production of corrugated paperboard from recycled material. Outfall 001 discharges to the Ohio River at mile point 567.8, Outfall 002 discharges to an unnamed tributary to the Ohio River at mile point 0.3 and Outfall 003 discharges to an unnamed tributary to Lawrence Creek at mile point 0.5 in Mason County. Permit Writer: Lori Veal.

## PUBLIC NOTICE

### Kentucky Department for Environmental Protection

Division of Water  
14 Reilly Road  
Frankfort Office Park  
Frankfort, Kentucky 40601  
(502) 564-3410

### **Public Notice No. PT 06-22**

#### **Notice of Request for Approval of A Municipal Pretreatment Program**

In accordance with the provisions of the Clean Water Act of 1977 and the National Pretreatment Program, the City of Mayfield has developed and submitted for approval by the Environmental and Public Protection Cabinet, Division of Water, modifications to the pretreatment program for its publicly owned treatment works (POTW). KEPPC, Division of Water, has made a preliminary determination that this pretreatment program meets the requirements of 401 KAR 5:057, Section 6 and 40 CFR 403.

These modifications are due to a reevaluation of the local limits which include raising the limits of the following parameters: Total Cadmium from 0.02 mg/l to 0.09 mg/l, Total Copper from 0.23 mg/l to 0.64 mg/l, Amenable Cyanide from 0.07 mg/l to 2.85 mg/l, Total Lead from 0.06 mg/l to 0.56 mg/l and Total Silver from 0.08 mg/l to 0.17 mg/l. This reevaluation also includes the removal of Benzene, Beryllium and Iron from the limited parameters. All other limits are more stringent or equal to existing limits.

The POTW pretreatment program is available for inspection and copying at the addresses listed below:

Environmental and Public Protection Cabinet  
Department for Environmental Protection  
Division of Water  
14 Reilly Road, Frankfort Office Park  
Frankfort, Kentucky 40601

City of Mayfield  
301 East Broadway  
Mayfield, Kentucky 42066

Interested persons are encouraged to submit comments on the program and may request a public hearing. All comments submitted will be considered by EPPC, Division of Water. Persons requesting a public hearing must state reasons why such a hearing is warranted. In accordance with 401 KAR 5:057, Section 8(2)(a)2, **the public notice comment period will end on August 14, 2006.** If no comments to this notice are received, the proposed pretreatment program will be approved as set forth herein without changes and without further public notice. In such event, this notice shall constitute the "notice of approval or disapproval" required by 403.11(e) and no additional notice shall be provided.

Send comments or request for public hearing to the Inventory and Data Management Section, Division of Water, 14 Reilly Road, Frankfort Office Park, Frankfort, Kentucky 40601.

The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals an equal opportunity to participate in all programs and activities.

## Commonwealth of Kentucky Antidegradation Statement

---

Antidegradation determinations have been made in regard to the permits referenced in this Public Notice. Any information concerning the foundation of the Division's position as to these determinations is addressed in the permits' Statement of Basis or Fact Sheets and all supporting documentation is available in the permit files maintained at the Division central office in Frankfort, Kentucky. Kentucky's antidegradation policy is found in Regulation 401 KAR 5:029, Section 1. Antidegradation policy implementation methodology is defined in Regulation 401 KAR 5:030. The primary purposes of these regulations is to safeguard the surface waters of the Commonwealth for their designated uses, to prevent the creation of any new pollution of these waters, and to abate any existing pollution.

---

### GENERAL INFORMATION

---

The KPDES program issues permits for all treatment facilities which discharge, or propose to discharge, to waters of the Commonwealth which are classified for domestic water supply, for fish and aquatic life, and for recreation. Proposed KPDES permits are written to protect the classified uses of receiving waters and contain limitations on the amounts of pollutants to be discharged and other conditions. The proposed permits are drafted in accordance with applicable provisions of the Kentucky Revised Statutes and appropriate regulations. The permit conditions are tentative and open to comment from the public. Persons wishing to comment upon or object to the proposed action (permit issuance, modification or termination) or the proposed permit conditions are invited to submit comments to the Division at the following address: **Department for Environmental Protection, Division of Water, KPDES Branch, Frankfort Office Park, 14 Reilly Road, Frankfort, Kentucky 40601, Attention: Inventory & Data Management Section.** The comments must be received by the comment due date stated at the beginning of this notice. The applicant's name and KPDES number should be included in the comments.

Interested persons may also request that the Director of the Division hold a public hearing on any application. The request must be filed within the comment period and must indicate the interest of the party filing it and the reasons why a hearing is warranted. When there is public interest, the Director will hold a public hearing pursuant to 401 KAR 5:075, Section 7. After consideration of comments submitted during the comment period, the hearing record, if any, and the requirements of the Federal and State Acts and appropriate regulations, the Director of the Division will make a determination regarding final permit action.

Permit applications, draft permits, fact sheets or statements of basis, and additional information are available by contacting the Division of Water. Business hours are 8:00 a.m. to 4:30 p.m. Monday through Friday, except for holidays. A copy machine is available for public use at 10 cents per page. Three (3) days advance notice may be required for inspection of files. **Please bring the preceding to the attention of persons whom you know will be interested.**

*The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities an equal opportunity to participate in all programs and activities.*
